PRESIDENT'S REPORT

2022 Year in Review

Coat Drive & Turkey Donation

Karen reported that Dillard School considers us "amazing" and are very appreciative of the coat drive and the turkey donation. Discussion topics included

What to do if there are a few extra coats?

Should we consider additional/other schools in need? Herald, Sierra Enterprise & Plymouth were suggested.

Should we use school demographics to help select additional schools?

Holiday Party

Consensus was that the party was "great" and that we should have the party at RMCC in 2023. Some missed the gift exchange and a DJ with dancing was suggested for next year. Sally reported that there will be "continuous work on the entertainment."

General Meetings

The Parasol room may become the pro shop at some time. An option is the Backyard and in warmer weather picnic at the lake.

Membership Roster

A column has been added to the roster naming the member's car type.

15th Anniversary Trip/Celebration

TREASURER'S REPORT

The current balance is \$1,698.78 plus \$40 from a check just received. There are no immediate expenses. Insurance is due in June, which was \$380 last year. A brief discussion followed on how to use these funds. Should we subsidize the coat drive, the turkey donation, &/or the holiday party?
