Christmas Party	We are now at 31 people attending. Karen suggested 5 tables so the group could be spread out more in the room. The woman scheduled to do the clean up had a family emergency and cannot do it. Karen's next-door neighbor's grand-daughters are willing to help with the cleanup. They are home from school on winter break.	Mary Carroll is going to the bank to get cash for the girls.
Thank you for Geoff	Karen showed the group the trophy she ordered for Geoff. It will be presented to him on Thursday evening.	
Dillard School Project	Karen took Dillard School \$218.00 of gift cards and additional coats that were donated.	Karen plans to share the thank you notes from the school at the next meeting.
Treasury Report	Mary reported our current balance of \$1542.81. The Rodda's are joining the club per Jack. There was discussion regarding the transfer to Kent Kilborn. The transfer is easier if you have current account with the bank.	Kent will have to fill out IRS form 8822B. Mary and Karen will have to sign off as past officers. The transfer to Jack and Kent is planned for the first week of January.
